

# 4 Hour Lead Safe Renovator Refresher Course

If you've already completed the 8-hour Lead Safe Renovator - Initial, you are eligible for this 4-hour refresher training.

**The EPA requires Certified Renovators take this refresher training course every five years to maintain compliance with the Renovation, Repair and Painting (RRP) Rule.**

This refresher training course was developed by the EPA, in collaboration with the U.S. Department of Housing and Urban Development (HUD), to train renovation, repair, and painting contractors how to work safely in housing with lead-based paint and comply with EPA's RRP Rule, and HUD's Lead Safe Housing Rule.

- 4 Hours of Interactive Refresher Training
- Hands-on Classroom Experience
- Lead Renovator Certification Renewal

Contractors caught not following the new guidelines can face serious fines of \$37,500 per day, per violation
