

California Apartment Association – 2017 Forms Changes Chart

Mandatory for Members: “Yes” means old forms must be discarded and the new form used due to a change in the law. “Recommended (Rec)” means the new form contains provisions that are beneficial because they are likely to reduce disputes, protect against liability or otherwise offer additional protection to the member. Members should review what has changed in the form and determine whether or not they want to take advantage of the new provisions. “No” means that members are free to continue use of the old form because any changes are non-substantive. N/A means it is a new form.

Mandatory for Local Associations: “Yes” means that old forms must be discarded and the new form used due to a change in the law. “Recommended” means the new version is more protective of the member. New forms that are “Recommended” for members are “Mandatory-Yes” for Local Associations. “No” means that existing stock of the old form may be sold or used.
