Section 1. Policy, Purpose and Findings. The purposes of this Ordinance is to promote housing stability during the COVID-19 pandemic and to prevent avoidable homelessness. This Ordinance is necessary for the immediate preservation of the public peace, health or safety because the COVID-19 pandemic has the potential for destabilizing the residential rental market for all of the reasons described herein. It is intended to enable tenants in the City whose employment and income have been affected by the COVID-19 pandemic to be temporarily exempt from eviction for non-payment of rent and to reduce the risk that these events will lead to anxiety, stress and potential homelessness for the affected City residents and their communities thereby serving the public peace, health, safety, and public welfare. The temporary moratorium on evictions for non-payment imposed by this Ordinance is created pursuant to the City's general police powers to protect the health, safety, and welfare of its residents. Accordingly, for all these reasons, including the facts set forth in the recitals herein, the City Council finds there is an urgent need for the immediate preservation of the public peace, health, and safety to enact this Ordinance on an urgency basis.

Section 2. The City Council of the City of Maywood does adopt the following emergency regulations which shall take effect immediately:

A. A temporary moratorium on eviction for non-payment of rent by residential tenants impacted by the COVID-19 crisis is imposed as follows:

1. During the period of local emergency declared in response to COVID-19, no landlord shall endeavor to evict a tenant in either of the following situations: (a) for nonpayment of rent if the tenant demonstrates that the tenant is unable to pay rent
due to financial impacts related to COVID-19 or (b) for a no-fault eviction unless necessary for the health and safety of tenants, neighbors, or the landlord. A landlord who knows that a tenant cannot pay some or all of the rent temporarily for the reasons set forth above shall not serve a notice pursuant to CCP 1161(2), file or prosecute an unlawful detainer action based on a 3-day pay or quit notice, or otherwise seek to evict for nonpayment of rent. A landlord knows of a tenant’s inability to pay rent within the meaning of this Ordinance if the tenant, within 30 days after the date that rent is due, notifies the landlord in writing of lost income and inability to pay full rent due to financial impacts related to COVID-19, and provides documentation to support the claim. For purposes of this Ordinance, “in writing” includes email or text communications to a landlord or the landlord’s representative with whom the tenant has previously corresponded by email or text. Any medical or financial information provided to the landlord shall be held in confidence, and only used for evaluating the tenant’s claim. Nothing in this Ordinance shall relieve the tenant of liability for the unpaid rent, which the landlord may seek after expiration of the local emergency and the tenant must pay within six months of the expiration of the local emergency. A landlord may not charge or collect a late fee for rent that is delayed for the reasons stated in this Ordinance; nor may a landlord seek rent that is delayed or the reasons stated in this Ordinance through the eviction process.

2. For purposes of this ordinance, “financial impacts related to COVID-19” include, but are not limited to, a substantial decrease in tenant household income as a result of any of the following: (a) being sick with COVID-19, or caring for a household or family member who is sick with COVID-19; (b) lay-off, loss of hours, or other income reduction resulting from business closure or other economic or employer impacts of COVID-19; (c) compliance with a recommendation from a government health authority to stay home, self-quarantine, or avoid congregating with others during the state of emergency; (d) local, state or federal government response to COVID-19; (e) extraordinary out-of-pocket medical expenses; (f) child care needs arising from school closures related to COVID-19; or (g) otherwise caused by the COVID-19 pandemic. “Financial impacts related to COVID-19” shall also include substantial out of pocket medical expenses caused by the COVID-19 pandemic or as a result of any local, state or federal government response to COVID-19. In all events, the financial impacts related to COVID-19 shall be documented as described in paragraph A(1) above.

3. For purposes of this Ordinance, “no-fault eviction” refers to any eviction for which the notice to terminate tenancy is not based on alleged fault by the tenant, including but not limited to eviction notices served pursuant to Code of Civil Procedure sections 1161(1), 1161(5), or 1161c.

4. This Ordinance applies to nonpayment eviction notices, no-fault eviction notices, and unlawful detainer actions based on such notices, served or filed on or after the date on which a local emergency was proclaimed.

B. A temporary moratorium on eviction for non-payment of rent by commercial tenants impacted by the COVID-19 crisis is imposed as follows:
1. During the period of local emergency declared in response to COVID-19, no landlord shall endeavor to evict a commercial tenant in either of the following situations: (1) for nonpayment of rent if the commercial tenant demonstrates that the commercial tenant is unable to pay rent due to financial impacts related to COVID-19 or (2) for a no-fault eviction unless necessary for the health and safety of tenants, neighbors, or the landlord. A landlord who knows that a commercial tenant cannot pay some or all of the rent temporarily for the reasons set forth above shall not serve a notice or otherwise seek to evict for nonpayment of rent. A landlord knows of a commercial tenant’s inability to pay rent within the meaning of this Ordinance if the commercial tenant, within 30 days after the date that rent is due, notifies the landlord in writing of lost income and inability to pay full rent due to financial impacts related to COVID-19, and provides documentation to support the claim. For purposes of this Ordinance, “in writing” includes email or text communications to a landlord or the landlord’s representative with whom the commercial tenant has previously corresponded by email or text. Any medical or financial information provided to the landlord shall be held in confidence, and only used for evaluating the commercial tenant’s claim. Nothing in this Ordinance shall relieve the commercial tenant of liability for the unpaid rent, which the landlord may seek after expiration of the local emergency and the commercial tenant must pay within six months of the expiration of the local emergency. Six months after the end of the emergency if the rent is unpaid, a landlord may charge or collect a late fee for rent that is delayed for the reasons stated in this Ordinance; or a landlord may seek rent that is delayed for the reasons stated in this Ordinance through the eviction or other appropriate legal process.

2. For purposes of this Ordinance, “financial impacts related to COVID-19” include, but are not limited to, substantial decrease in tenant lost business income as a result of any of the following: (a) being sick with COVID-19, or caring for a household or family member who is sick with COVID-19; (b) income reduction resulting from business closure or other economic or employer impacts of COVID-19, such as but not limited to a reduction in the business’ opening hours or reduction in consumer demand; (c) compliance with a recommendation from a government health authority to stay home, self-quarantine, or avoid congregating with others during the state of emergency; (d) local, state or federal government response to COVID-19; (e) or otherwise caused by the COVID-19 pandemic. In all events, the financial impacts related to COVID-19 shall be documented as described in paragraph B (1) above.

Section 3. Violations. This Ordinance shall be punishable as set forth in Section 4-1.10 of Chapter 1 of Title 4 of the Maywood Municipal Code. In addition, this Ordinance grants a defense in the event that an unlawful detainer action is commenced in violation of this Ordinance.

Section 4. Remain in Effect. This Ordinance shall remain in effect for the duration of the local emergency.
Section 5. Uncodified. This Ordinance shall not be codified.

Section 6. Severability. If any provision of this ordinance is held invalid by a court of competent jurisdiction, such provision shall be considered a separate, distinct and independent provision and such holding shall not affect the validity and enforceability of the other provisions of this ordinance.

Section 7. Certification and Publication. The City Clerk shall certify to the adoption of this Ordinance and shall cause the same to be published or posted in the manner prescribed by law.

Section 8. Effective Date. This Ordinance is adopted as an urgency ordinance for the immediate preservation of the public peace, health and safety within the meaning of Government Code Section 36937(b), and therefore shall be passed immediately upon its introduction and shall become effective immediately upon its adoption by a minimum 4/5 vote of the City Council.

Section 9. Duration. This Ordinance shall remain in effect until it is superseded by another Ordinance adopted by the City Council.
